* Adopted by LSND Board of Directors at December 6, 2018 meeting in Bismarck, ND

Richard R. LeMay, Executive Director

2019 Priorities Annual Report of LSND

1. Report summarizing the review of priorities for 2019

At the December 6, 2018 meeting of the LSND Board of Directors, the Board reviewed the priorities from 2018 and with the input from the last review of priorities in November 2018 determined the 2019 priorities will remain the same as those for 2018.

2. Date of last review of priorities

The program last reviewed the priorities in a needs assessment in the fall of 2017. The results of the assessment were analyzed by the LSND and helped provide the basis for the current priorities.

3. Timetable for the future appraisal

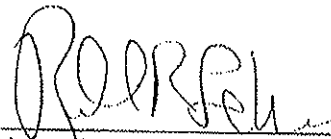

LSND will review the priorities in the fall of 2019 and identify any changes that need to be made.

4. Evaluation of 2018 Priorities

After reviewing the 2018 priorities at the 12/6/18 board meeting with staff, it was determined by the board that there would be no changes.

5. Mechanism

Surveys, meetings and electronic polls on our website were used in 2017 to establish needs.
